ORAL JUDGEMENT

In view of the show cause notice issued to the Baroda Municipal Corporation, Baroda Municipal Corporation pointed out that several industrial units are

discharging their effluent in the drain of municipal Corporation which is not meeting with the norms. The name of the present unit also appeared in the said list supplied by Baroda Municipal Corporation as a unit discharging their effluent not meeting with the norms. However, it is stated by the learned advocate for the unit that the unit is closed since last three months.

2. It appears that against the unit, earlier show cause notice was issued and the unit has agreed to pay 1% of the highest turnover out of the last three years, towards betterment of environment etc. It is also stated by the unit that the unit will not restart without prior permission of this Court. An order to this effect is passed by this Court in Spl. C.A. No. 2285/97 on 30.4.1997.

3. In the result, we do not find any reason to continue the proceedings in the present proceedings. Hence, in view of the order passed in Spl. C.A. No. 2285/97, this petition stands disposed of.
